## PRIVACY STATEMENT

Chimera Projects b.v. is registered at the Chamber of Commerce in the Netherlands registration number 636691450  
The General Terms and Conditions of Chimera Projects b.v. have been filed with the Chamber of Commerce  
Breda, The Netherlands.

## 1. Privacy policy

The website of Chimera Projects b.v. and related internet services are provided by Chimera Projects b.v., at 4904 PW Oosterhout, Krijtenberg 11 and registered at the Chamber of Commerce in Breda with registration number 63691450

In accordance with the General Data Protection Regulations we have implemented following procedures.

Chimera Projects b.v., guarantees within its possibilities, the protection of the privacy of employees, business partners and visitors of our website. This means that we demand maximum effort of our co-partners in order to guarantee a correct implementation of the General Data Protection Regulations. All data as collected will be saved at a Secured Server. In the next sections we inform you about the data we store and use within the legal framework of the GDPR and additional Directives. We also inform you about how to act in case you like to receive more information or clarification about this subject.

## 2. Processing of personal data and critical business data

In the context of our services, Chimera Projects B.V. records data (name, place of residence and address, your telephone and fax numbers, your e-mail address).

Chimera Projects B.V. uses this information for the execution of the relevant agreement, for its other services and to keep customers informed of (new) products and services of Chimera Projects B.V.

Chimera Projects BV tries to take your preferences into account. If you do not appreciate information about (new) products and services, you can report this in writing to: Chimera Projects B.V., Krijtenberg 11, 4904 PW Oosterhout or by e-mail to [info@chimeraprojects.nl](mailto:info@chimeraprojects.nl) with the subject "Address registration". We will then block your data for this.

Delete your data? We store your data on a (secure) Secure Server. Do you want us to remove your data from our file? Even then you can also let us know in writing or by sending an e-mail to [info@chimeraprojects.nl](mailto:info@chimeraprojects.nl) Chimera Projects B.V. meets your request within 7 working days.

Chimera Projects B.V. concludes processing agreements with clients and (sub)-processors with regard to data processing, data management and financial administration This to support the project-based processes. Chimera Projects B.V. consultancy partners endorse a Code of Conduct in addition to a processing agreement.

In case of termination of the agreement or contract Chimera Projects b.v. will delete/destroy all information which has within its possession within 6 months after termination of the agreement/contract. All personal data and critical companies data will be removed, unless legal requirements prohibit us to do so. In that case Chimera Projects b.v. will secure the data according to legal guidelines and within its possibilities. When the legal regulations permit to do so the information as saved will be destroyed. In case of mutual agreement data can be saved for more than 6 months as mentioned but never exceed Legal requirements or deadlines.

## 3. Right to inspect, correct or delete your personal data.

You have the right to inspect, correct or delete your personal data which we have collected and saved on our servers. If you like to correct or delete your information as stored at our servers we ask you to put your request in writing and post it to the address below or email it to [info@chimeraprojects.nl](mailto:info@chimeraprojects.nl)

To avoid any misuse we will ask you to identify yourself by sending us a copy of your passport or ID and a copy of the latest utility bill. Chimera Projects b.v. will deal with your request within 7 working days unless there are important reasons such as legal requirements not to do so.

## 4. Register of Processing

Chimera Projects b.v. is using a Processing Register to secure all activities

You are entitled to have full access to our Register of Processing. To avoid any misuse we will ask you to identify yourself. Part of our Privacy Policy is to keep records of our processing partners. Current laws and regulations are part of the selection procedures of our partners, processors and sub-processors.

## 5. Privacy by design

When developing our services and products, we use privacy-by-design: increasing information security by:

- \* Anonymization
- \* Data minimization
- \* Pseudonymisation
- \* Encryption
- \* Access control

\* Retention periods

\* Facilitating rights of data subjects

#### **6. Breach of datasecurity / Data Register**

In case of a (potential) breach of the datasecurity Chimera Projects b.v. will act according to the Regulation EU 2016/679 and contact the local authorities ( Autoriteit Persoonsgegevens) and if needed the persons involved.

#### **7. Data breach register**

Chimera Projects B.V. uses a data breach register.

#### **8. Privacy policy for other websites**

Links to other websites are included on [www.chimeraprojects.nl](http://www.chimeraprojects.nl). However, we are not responsible for the privacy policies of these websites. For more information about this, please refer to the relevant websites.

#### **9. Cookie Policy**

This site uses cookies – small text files that are placed on your computer to help the site provide a better user experience. In general, cookies are used to retain user preferences, store information, create a better performance of the website itself and provide anonymised tracking data to third party applications like Google Analytics. As a rule, cookies will make your browsing experience better. However, you may prefer to disable cookies on this site and on others. The most effective way to do this is to disable cookies in your browser.

#### **10. Google Analytics**

Our website is using Google Analytics, a web analyse-service offered by Google Inc. Google Analytics uses cookies – small text files that are placed on your computer- to help the site provide a better user experience. This collected information (incl. your IP address) will be stored at Google servers which are located in the United States. Google uses this information to record the way the website is used, reports to other providers and stakeholders related to website activities and in general the use of internet. Google will not link your IP address with other (personal) data.

If you may prefer to disable cookies on this site and on others, the most effective way to do this is to disable cookies in your browser.

#### **11. Session cookies**

Session cookies are only active during your visit to our website and will be automatically removed from your device if you close your browser. We record which categories of our website/services you have visited and optimize our services based on this information.

#### **12. Google Analytics cookies**

Through our website Google will use cookies as part of their 'Analytic-Services'. This service is used to analyze the way you use our website. Based on this information we can optimize our website. The information that is collected is only based on activities as taken place and not on visitors personal data.

#### **13. Social media cookies**

On our website you will find buttons which can be used to promote our information or webpages on social media by f.e. 'liken' at Facebook or a 'tweet' at Twitter. These buttons are activated by special codes that are installed by the social media platforms. Through these codes cookies are activated. This happens beyond our influence. The privacy statement of the social media platforms itself will inform you what the intention and purpose of these cookies are and how they will use the information as collected.

#### **14. Activate and remove cookies**

By using the 'help' function of your browser information on how to activate, de-activate or remove cookies can be found.

More information about cookies policy can be found at [www.AboutCookies.org](http://www.AboutCookies.org).

#### **15. Amendments**

Chimera projects b.v. reserves the right to change the privacy policy at any time. At our website you will always find the latest version.

#### 16. General

For those who have no access to our website we will supply a copy of our privacy statement at their first request. Are there still questions about our privacy policy or you want access to your personal data, change or delete personal information? Please contact us by sending an email to [info@chimeraprojects.nl](mailto:info@chimeraprojects.nl)

#### 17. General

Do you have any questions about our privacy policy? Send an e-mail to [info@chimeraprojects.nl](mailto:info@chimeraprojects.nl) . You can also use this e-mail address if you have any questions about your data or if you want to change it. We are happy to be of service to you.
